RAILROAD MEN PLEDGE BOOST FOR HAWAII

"Hawaii will get more organized publicity this year than ever before, and, in particular, the railroads of the mainland will do all in their power to spread the news of the wonderful attractions of the islands."

So spoke H. R. Judah, assistant general passenger agent of the Southern Pacific at San Francisco, on the deck of the steamer Sierra yesterday, just before leaving for the mainland. Mr. Judah, Secretary Wood of the Hawaii Promotion Committee, and a representative of the Bulletin were talking and Mr. Judah on his way back home after a short trip to the islands, was filled with enthusiasm for Hawaii such as business men of his experience seldom express.

"Hawaii's advertising on the mainland will, I believe, lay more emphasis on the charms of your islands as a summer resort," he said. "I look to see the tourist traffic doubled within a short time."

During Mr. Judah's stay here, he and Secretary Wood talked over promotion plans a number of times. He informed Mr. Wood before leaving that the Southern Pacific and allied systems will include among the list of "lectures" given for railroad patrons a lecture on Hawaii.

On Tuesday a number of railroad men were the guests of B. F. Dillingham on a special trip down the O. R. & L. line to Haleiwa and return, and all of the visitors were highly delighted. In the party were Mr. Judah, Mr. Bonebrake of the Pennsylvania lines; P. H. Brady, representing the tour department of the Chicago office of the Union Pacific, C. & N. W., and allied lines; Mr. Pillsbury, the San Francisco photographer who is taking special pictures of Hawaiian scenes for the San Francisco exposition; George Denison of the O. R. & L.; Engineer Francis Smith of the San Francisco Bridge Company, who is in charge of the Pearl Harbor drydock work; Captain Edwards of the Army; Mr. Nichols, agent of the foreign department of Wells-Fargo Co. at San Francisco; Fred C. Smith, general passenger and ticket agent of the O. R. & L. Co., and Secretary Wood.

JUST TRY A TEN CENT BOX OF CASCARETS

Insures you for months against a Sick Headache, Biliousness, Constipation or a Bad Stomach.

Put aside—just once—the Salts, Cathartic Pills, Castor Oil or purgative waters which merely force a passage through the bowels, but do not thoroughly cleanse, freshen and purify these drainage or alimentary organs, and have no effect whatever upon the liver and stomach. Keep your inside organs pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the decomposed waste matter and poisons in the intestines and bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Biliousness, coated tongue, indigestion, Sour Stomach or Constipated bowels. Cascarets belong in every household. Children just love to take them.

KEWALO CONTRACT WILL MAKE CONTRACTORS THINK

That the bidders for the Kewalo fill work will have quite a problem before them is the opinion of Superintendent of Public Works Marston Campbell. The estimated amount of earth to be moved is five hundred thousand cubic yards of soil. This means that there would be enough to cover 125 acres of land three feet deep and, as Campbell says, that is quite a job.

The consensus of opinion is that the hauling of such a quantity of earth is impossible and that either sluicing from the hills or dredging from the harbor will have to be adopted.
